Mr Sellors

We are sad to share the news that, due to ill health, Mr Sellors has made the difficult decision to retire from his role as Headteacher at Cronk Y Berry School with immediate effect. I'm sure you will join us in thanking Mr Sellors for his leadership of, and dedication to, the school over the last 14 years and in wishing him a happy and healthy retirement. We will do something as a school to recognise and celebrate his time at CYB once the current state of emergency on the island is lifted.

In Mr Sellors' absence, Ms Roddy will continue in the role of Acting Headteacher and Miss Locke will continue in the role of Acting Deputy Headteacher. A substantive Headteacher will be appointed by the Department of Education, Sport and Culture in due course.

Thank you

A huge 'thank you' to all our staff, parents and children for pulling together at this time. Please continue to stay safe to save lives.

Learning at Home

As lockdown continues we've had a number of parents worried about how their child/children are doing with home learning. Please don't worry! These are unprecedented times and we know everyone is doing their best in very difficult and different situations.

When we return to school we will carry on guiding your children's learning as we did before, starting from where they are. For now, when most things in your child's life have had to be cancelled, try to keep the fun and laughter - we are living through a time in history and in years to come our children will be asked 'what did you do?' when the world was told to stay at home. Let's give them some positive stories to share.

If you are worried or need some advice about home learning, please contact school and a member of staff will get back to you as soon as possible.

VE Day

A huge thank you to everyone who took part in our 'Stay at Home VE Day Party' and shared their 'selfies' for the keepsake video we are creating. There is still time to submit yours via cybenquiries@sch.im. Please note the photos and video will be shared on Facebook and It's Learning.
